Originally published in 1850, the novel first appeared in serial form, or segments in the above-described penny dreadfuls a year previous to its compilation.. The novel's 1867 edition includes a preface by the author, in which he writes,?.. The incentive was greater than my distaste for Dickens, so I enrolled and bought a copy of that year's featured novel: David Copperfield.. I was a literature major at the University of California, Santa Cruz (UCSC) and the completion of Dickens Universe, part of UCSC's world-renowned Dickens Project, meant I'd receive a full quarter's course credits in just one week.. Dickens experts from 35 of the world's top universities gathered beneath the redwood groves of the UCSC campus for lectures, study groups, and Victorian-style tea each day.. Previously released by Bolinda Audio, p2009 This biography traces the rise of the man, from child prodigy to tortured megastar.. I could stand to fail an English test since it was my best subject I couldn't stand to spend one more second trudging through the doldrums of Charles Darnay's self-righteousness and Sydney Carton's unrequited sob-fest.. She has always lived near the ocean and grew up surfing with her dad on the Central Coast of California.. This would make David Copperfield a fictional biography of sorts David Copperfield was Dickens' first novel to be written in first-person point of view narration, and whether or not Copperfield is based on Dickens, the novel is certainly the most autobiographical of Dickens' collection.

ABOUT THE BOOK Until the summer after my second year of college, I despised Charles Dickens.. With particular emphasis upon the use of the military rifle in sniping, its place in modern armament, and the work of the individual soldier.. My preconceptions about Charles Dickens began to melt away within minutes of my arrival on the first day.. I couldn't stomach his outdated witticisms and had no patience for his Gothic writing style.. like many fond parents, I have in my heart of hearts a favourite child And his name is David Copperfield.

It is the definitive portrait of a pop legend whose strange and brilliant life will never be forgotten.. Everything changed when I signed up for an annual week-long educational program called?Dickens Universe?.. In high school, when my AP English teacher assigned A Tale of Two Cities, I read Chapters 1-10 and gave up.. April also works as a professional writer/editor Her topics of interest range from arts and music to political and environmental pieces..
